FRESHMEN

Our first year of high school, wow, how exciting.

Just think of all the exciting things that will be happening during this year. We got lockers next to upper classmembers, and we got to mingle with the high society of the high school.

We had the opportunity to play high school sports which are quite different from junior high.

We finally got to choose some of the classes and our experiences behind the wheel will never be forgotten. And the time when, oh well, never mind.

If every year is as exhilarating as this one, we're not sure we'll be able to handle it, but we'll try.

Sophomores: Our Day Will Come

We're the class of 84
We just walked through another door

The years go by so very fast
As we think of the years gone past

We've been hoping our day will come
Since we began high school in 81

Now it is 82
Hopefully we will make it through.

We participated in many things
And at the end of the year, we order our rings.

We the sophomores are waiting for our day to come
When we will look to the future and more fun.

Juniors
One More Step To The Top

This is the year before our big time. Just around the corner will be our senior year. But for this year, we have many things to do as Juniors. We have a lot of responsibilities to fulfill. For example, at the beginning of the year we received our class rings and sold magazines. During the middle of the year we had our chance to run the concession stand at boys basketball games.

When spring came around, we planned the prom and banquet. With this being our last step to the top, we are fortunate to have had the opportunity for advancement. Thank you very much.

Sincerely yours,

MEMORIES

As the days pass us by
And graduation draws nigh
82 is our year
Parting will cause many a tear.

We pass one another each day.
Each a little bit different in our very own way.
When you're feeling down and blue,
Your friends will help you make it through.

As you look back on your year
And the times with friends, so dear,
Remember in whatever you do,
You were a part of the class of 82.

SENIOR REFLECTIONS

We'll miss each other, each and every one
Because our years together were lots of fun.

So look to the future but remember the past,
For high school memories will always last.

Pursue your interests and do your best
And you will suceed in every test.

Brad

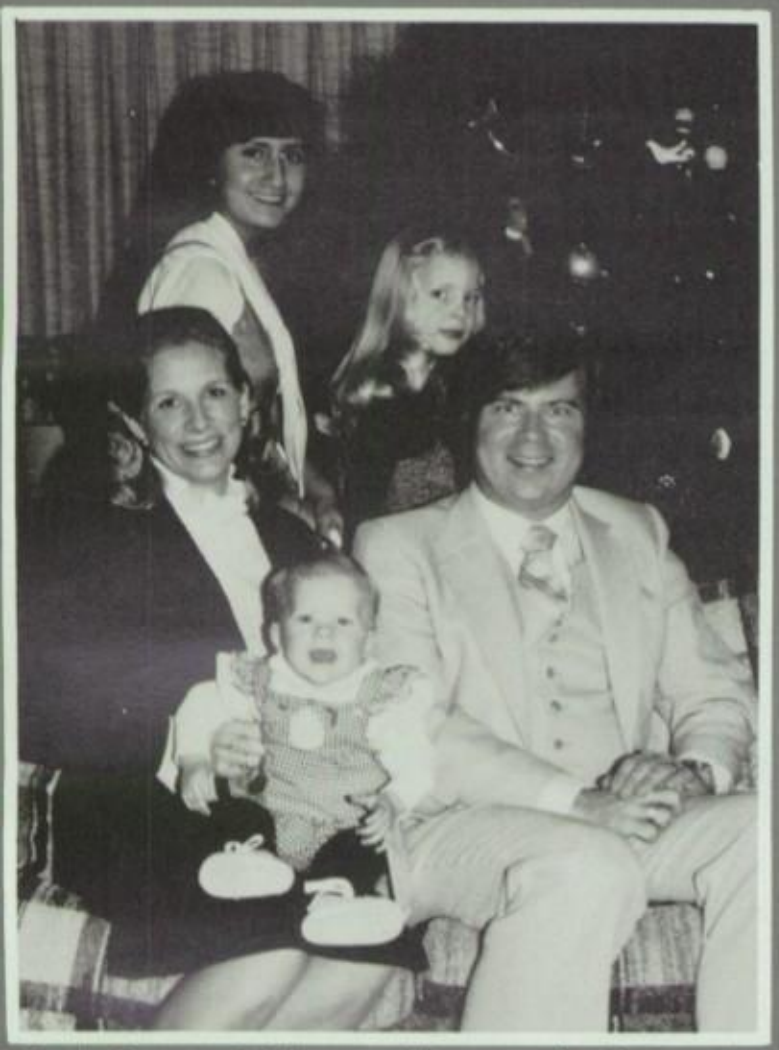
Exchange Student From Ecuador



Maria Sornoza Molina and her new family: top to bottom- Karis, Dwayala, Siri, and Pastor Mark Winick.

LOVE this weather!!??!!

This is a barrel of laughs.

MARIA SORNOZA MOLINA
Maria Survives The Winter

This year Finley-Sharon was fortunate to have a foreign exchange student here with us. Her name is Maria Sornoza and she is thankful that she survived the winter. It is too cold here she says. In Ecuador where she is from, it is between 70° and 90° all the time. Maria came here through the International Fellowship Program.

Maria has four brothers and three sisters who live with her parents in Portoviejo, Ecuador, where the population is 800,000. Maria likes being in Sharon because "You can become really close to all of the people." When Maria lived in Ecuador she went to an all girls school, but she likes mixing with all of the boys and girls at Finley-Sharon. Maria's favorite food over here is PIZZA. Maria also has alot of other favorite things. She loves Rock-n-Roll, and her favorite TV shows are Gimme A Break, Fantasy Island, and Love Boat. Her favorite teacher is Ms. Stoebner because she is COOL.

Maria has a lot of pets, a monkey named Julio, a dog and a parrot. Since coming to our school, Maria has ridden horse and been to a horse show. She has also been roller skating, skiing, and snowmobiling.

Maria said she will miss everybody very much and will try to come back here one day with her parents.

She is very excited about the Indians and wants to see them very badly.

When Maria goes back to Ecuador she will go to college and hopefully become an office secretary.

Although we didn't have a great season, all the players did well. During the season the girls improved in most skills. We had good people on the team and everyone felt we could have done better. One thing stressed was that we need more fan support. When things aren't going well it helps to have people behind you.

Up And In For Two

The B-Squad this year put forth great effort into winning. They were a very young team consisting of two sophomores, nine freshmen, and two eighth graders. They participated in a tournament taking 2nd, losing only to Northwood in a very close, hard fought game. The Boys gained valuable experience and are looking forward to next year.

The season didn't go very well and our record left something to be desired. But through the troubles we were able to see a team that didn't quit. It would have been so easy for all the guys to just give up, but they didn't. It took alot of courage to stay and fight. We are proud of them and are looking for a better season next year.

Although the spring didn't cooperate, the girls did an outstanding job this year. They continued to improve with each meet as the year went along. The team was comprised mainly of younger athletes and they placed high in every meet we attended with the encouragement and skill of their coach. The girls won the Lake Region Conference meet with a total of 134 points.

ORGANIZATIONS

Wild And Crazy On Annual Staff

We didn't know how to start this so I asked Pam and she said "Very Carefully." Then we just got started and we heard a voice from beyond "Hide the food, Jeff is coming." As we sit here, there is mass confusion. We heard things like: "Where's the copy key", "What do I do", "Where am I", Jeff did you drink my pop?" "BEEP BEEP cropper does not work", "OH NO here comes Mr. Anderson", "Turn the radio up, I like this song", "turn it to 97, Are you kidding", "Do I have to type this over", and "I lost my money in the pop machine again."

But getting down to business we have done a lot of work this year. For example; working late into the night the day before deadlines. Sometimes it seems like we would never finish but we always pulled through. We wouldn't have done it without the help of the other staff members and our Assistant Editor Deann Jacobson.

At the beginning of the year, we went with the Annual Staff to Jamestown and toured the Jamestown Sun.

Thanks to Jeff over-sleeping we got off to a late start, but still had alot of fun.

The Paper Staff has been very busy this year getting five papers out. Jeff Coen and Julie Lee took over as editors after the first semester. We had alot of fun trying to get the paper out especially the long late hours spent after school typing. We tried a different angle for the last paper with the year in Review. We had the whole year in Review and a special section for the Seniors.

FHA'ers Are Looking For Male Members

The FHA had an exciting and busy year. We started off looking for boys to join our club. We did many projects with all members fired up and ready to go. Some of the projects included the Silent Auction, 50's and 60's Dance, microwave workshop, quilt raffle, field trip to the School for the Blind, Mr. Irresistible Contest and singing Valentines.

The second annual FFA-FHA Banquet was held April 15th, with Kent Jones as the guest speaker. The banquet turned out to be a success.

Of The Good Life

CHAPTER SWEETHEART
Mendi Walswick

FFA and Finley-Sharon High, two good things in one community. The 1981-1982 school year was one that was very good to our chapter.

It started out with a swimming party and a softball tournament last summer. Once the school year began, the chapter became immediately involved with concession sales at the Football games. We also began preparation for the District Leadership contests held in Larimore. Rusty Devlin did accomplish this by receiving a Gold Award in the Creed Contest. Many other ribbons were won in contests such as the Parliamentary Procedure Contest, Public Speaking, Demonstration, Quiz, Talent and Exchange of Ideas Contests.

The chapter's money making efforts were a great success. The fruit sales went well, with great support for the community. Something new that was tried this year was the Hog Raffle. This also turned out to be a very rewarding enterprise for the chapter.

Kansas City highlighted November as four members and Mr. Votava took the hour bus ride down to the National FFA Convention. Brian Jerstad, Greg Gylten, Pam Leslie, Tammy Fiebiger, along with Mr. Votava, although lacking a few hours of sleep, had a fun-filled, learning experience. More than 23,000 FFA members and guests from across the nation attended this function. After spending four days in Kansas City the weary group made the 14 hour trip back to inform the rest of their unforgettable adventures.

Winter activities shared by the chapter included the Bowling Party in December along with a Volleyball Tournament that went into March. Greenhand and Chapter Farmer Installation held in January was a function in which the parents were invited.

The Steele County Grain Show turned out to be a great success for the chapter as many members won awards. The 62 grain exhibits were then taken to the ND Winter Show in Valley City. At this contest there were only four chapters out of 80 in the State that exhibited more grain samples than Finley-Sharon.

Livestock and Crop judging at the Little "I" in Fargo and the Winter Show was fun and exciting for many members, as well as a learning experience.

The main highlight for the chapter this year was the FFA-FHA Parent-Member Banquet. This was again a huge success and many members received awards.

Spring brings around preparation for the final events of the school year. That is Land Judging and the State Convention in Fargo. Several members will be competing in contests such as Dairy and Livestock Judging, Farm/Ranch Contest, Creed Contest, Band and Chorus, and the Cortesy Corps. The chapter management will also send two delegates, Mike Hanson and Dale Leslie, to represent them at the business meetings at the State Level.

The chapter members, officer, and advisor feel that this was a good year for them, and they have enjoyed it very much. Thanks to parents, faculty, administration and friends, and sponsors for supporting and helping the chapter throughout the year.

ACTIVITIES

All During Homecoming Week:

Homecoming this year was held October 5-9. Monday the students and faculty enjoyed "Come as You Like" day. Tuesday was "Mix and Match" day. Wednesday was 50's and 60's day. Thursday we saw a variety of costumes for "Character" day. Thursday was also "Spirit Night" consisting of a Pep Rally and Bonfire which lead to a Snake Dance. All this followed the Girls Basketball game against May-Port. Friday was "Red, White, and Gold" day. We saw "Superman" sponsored by the Student Council followed by the Mini-float Parade and Kangaroo Court. The float winners: 1st - Seniors with "Chew 'em Up". 2nd - FFA with "Butcher 'em". 3rd - Cheerleaders with "Tune in a Victory". Coronation was held at halftime of the football game against the Northwood Trojans. "Mixed Company" performed at the Homecoming Dance held after the game in Sharon.

Speech Contestants Put Their Time In

This years speech contestants really put their time in. They practiced for many hours on their speeches.

There were 7 people planning on attending the District Speech Contest in Carrington. Unfortunately, Terri and Larry couldn't participate in this contest.

The trip began early on the morning of Saturday, April 3rd. The contest was delayed two hours because of the weather, but all went well. After the first two rounds, everyone anxiously awaited the lists of finalists. Candy, Julie and Deann made it to the final round. When the awards were handed out, Deann took 4th in Speech to Inform and Candy took 1st in Humerous Interpretation. Candy then went on to the State Speech Contest on April 23 and 24. Good Luck to you Candy. Congratulations to all who were participants. Keep up the good work.
